Alberta PCAP Online Refresher Training

The individual refresher training is a series of self-directed modules that reviews the information in the PCAP 3-Day Core Training.

Buy \$125.00

Alberta PCAP Refresher Training

The individual refresher training is a series of self-directed modules that reviews the information in the PCAP 3-Day Core Training. There are ten modules that cover PCAP foundational theory, mentor tasks and best practices, paper work, safety, and Penelope. A completion certificate will be sent to the participant upon the completion of all the modules, quizzes, and written responses.

2. Upon checkout, users are prompted to input their email, first and last name, address information, and payment details prior to purchasing your course. Don't forget to add your coupon code if you have one. PCAP members receive 20% off. Check for the coupon code at the PCAP [membership website](#). Click "Complete purchase" to finish your registration.
